Summary report wit	h the TBI and FBI in which	he stated	it was a while ago but I	ne stopped	them du	ue to the fact						
report with the TBI and FBI in which he stated it was a while ago but he stopped them due to the fact he did not want his ex-wife to suffer.												
Furthermore, Jeffrey advised he filed a civil suit against several Judges, Attorney and The State.												
Jeffrey provided me with a file number (#1;23-CV01097-PLM-RSK). At this time, I advised Jeffrey that												
this incident is in fact civil; however, I would in fact document the information given on a TIBRS												
report under Civil. I then provided him a case number for the case and advised him if he had any												
other questions to contact dispatch to speak with a Deputy.
